Pledge of Allegiance

Function well together as a board.

Things we are proud of this past year:

- 1) Exemplary Status
- 2) Education Foundation setup
- 3) New Teachers fresh ideas for elementary
- 4) Computers for all grades/students
- 5) Community and school coming back together
- 6) Passing Maintenance Bond
- 7) Academics and athletics involvement
- 8) Better food in the cafeteria

If the board knows of something going on make sure the superintendent is informed about the situation even though there is a change of command to go through, he still needs to be informed. Probably need to address the athletic department, keep attendance up and enrollment. May need to look at some type of after school program.

Be aware with the legislature activity the board may need to be looking at ways to make necessary cuts in the budget. Review policy for staff now so if you have to make cuts. The board needs to inform community to talk to state representative in the legislation to inform them how they feel about the possible cuts in education from the state.

The board then reviewed the Strategic plan and made no changes to the Mission, Core Principals, and the District Goals, or the Vision Statement.

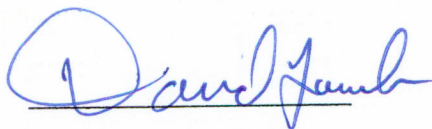

The board did add some Short-range goals since some had been completed:

- A. Get out of debt
- B. Keep student enrollment high
- C. Maintain exemplary district
- D. Keep up communication in the community
- E. Develop and maintain education foundation
- F. Establish extended care/after school program
- G. Build backstop for baseball or kickball
- H. Develop Athletics

Long range goals (10 years):

- A. Facility plan
- B. A high school for Dew
- C. Build fund balance
- D. Use land across highway for some recreational or improve schools property

The meeting was adjourned at 9:40PM.
